

INDEX TO VOLUME XVII

A

- Abdomen, Emergency surgery of the, 136
- Abdomen, Gunshot wounds of the, 332
- Abdominal actinomycosis (case report), 84
- Abdominal disease, The function of the roentgenologist in the diagnosis of (Carman memorial lecture), 620
- Accessory scaphoid, The, 537
- Accidents, Automobile, 130
- Accidents, Farm, 127
- Accidents, Industrial, 132
- Actinomycosis, Abdominal (case report), 84
- Acute appendicitis in childhood, 138
- Acute conditions of the gallbladder, 319
- Adams, Bertram Sage: Gallbladder disease, 312
- Adenoma, toxic, Exophthalmic goiter versus, 361
- Adhesions, peritoneal, Postoperative: causes and prevention, 4
- Allen, Edgar V., and Camp, John D.: The diagnostic value of arteriography: with report of two cases, 167
- Allergic factor in migraine, The, 31
- Allison, R. G.: Radiation treatment in carcinoma of the breast, 435
- Amebiasis: Report of case complicated by liver, lung and brain abscess, 18
- Analgesia, Obstetrical, 595
- Anderson, Edward Dyer: The use of chloral hydrate in pediatric practice, 184
- Anderson, James K., and Fansler, W. A.: Case of pilonidal sinus in a negro (case report), 146
- Andrews, Roy N.: Scurvy (case report), 717
- Anesthesia, cyclopropane, The employment of, 554
- Anesthesia for rectal surgery, 252
- Anesthetic agents and methods, Choice of, and a suggestion to facilitate blood transfusion, 699
- Annual symposium on cancer, Minneapolis Surgical Society, 429, 491
- Anomaly, Congenital, of kidney, ureter and bladder (case report), 82
- An unusual form of renal polycystic disease, 276
- Appendicitis, Acute, in childhood, 138
- Arteriography, The diagnostic value of: with report of two cases, 167
- Asthma, acute, The relief of, by the intravenous administration of concentrated glucose solution, 442
- Asthma, Sinusitis and, 582
- Atelectasis, postoperative, Massive collapse and (case report), 85
- Auricular fibrillation, Dextrocardia with (case report), 202
- Automobile accidents, 130

B

- Back injuries, The rôle of the soft tissues in the diagnosis and treatment of, 118
- Bagley, William R.: Traumatic pseudo-cyst of the pancreas (case report), 480
- Bartels, Elmer C.: Abdominal actinomycosis (case report), 84
- Bartels, Elmer C.: Carcinoma of the large bowel, 586
- Bartels, Elmer C., and Blum, Benjamin: Diabetes deaths in Duluth: a statistical study, 512
- Bayard, Harry F.: Anesthesia for rectal surgery, 252
- Benjamin, Arthur E.: Lithopedion (case report), 412
- Benjamin, A. E.: Postoperative peritoneal adhesions: causes and prevention, 4
- Berkman, John M.: Massive collapse and postoperative atelectasis (case report), 85
- Birnberg, T. L.: Eczema in infancy and childhood, 407
- Birnberg, T. L.: Fecal incontinence with megacolon (case report), 38

- Bladder, The present status of treatment of carcinoma of the, 105
- Bladder, kidney and ureter, Congenital anomaly of (case report), 82
- Bladder, urinary, Foreign bodies in the (case report), 147
- Blood transfusion, Choice of anesthetic agents and methods and a suggestion to facilitate, 699
- Blum, Benjamin, and Bartels, Elmer C.: Diabetes deaths in Duluth: a statistical study, 512
- Bohan, P. T.: Cardiac irregularities, 624
- Bowel, large, Carcinoma of the, 586
- Boynton, Ruth E.: The immunization of student nurses against scarlet fever, 165
- Braasch, William F.: An unusual form of renal polycystic disease, 276
- Brain, Tumors of the, from the surgical standpoint, 241
- Breast, Treatment of carcinoma of the, 683
- Briggs, John Francis: Spontaneous hypoglycemia, 526
- Brown, Alex E., and Brunsting, Louis A.: Self-inflicted lesions of the skin and mucous membrane (case report), 657
- Brunsting, Louis A., and Brown, Alex E.: Self-inflicted lesions of the skin and mucous membrane (case report), 657
- Bulkley, Kenneth: Automobile accidents, 130
- Burke, Richard M.: Pellagra following lack of animal protein (case report), 143
- Burns, The treatment of, 330

BOOK REVIEWS

- American Medical Association: Annual reprint of the reports of the Council on Pharmacy and Chemistry of the American Medical Association, 438
- American Medical Association: New and non-official remedies, 437
- Barker, Lewellys F.: Treatment of the commoner diseases, 278
- Bassett, Clara: Mental hygiene in the community, 437
- Bell, E. T.: A text-book of pathology, 616
- Bloomfield, Arthur L.: Gastric acidity, its relation to disease, 278
- Clapp, Clyde A.: Cataract, its etiology and treatment, 740
- Clifford, Randall: The sputum, its examination and clinical significance, 278
- Dick, George F., et al.: The 1933 Year Book of General Medicine, 236
- Foldes, Eugene: A new approach to dietetic therapy, 104
- Gershenfeld, Louis: Urine and urinalysis, 616
- Gutman, Jacob: Modern drug encyclopedia and therapeutic guide, 437
- Hertzler, Arthur E.: The technic of local anesthesia, 104
- Kanavel, Allen B.: Review of infections of the hand, 366
- Key, John Albert: The management of fractures, dislocations and sprains, 366
- Knopf, S. Adolphus: Report to the United States government on tuberculosis with some therapeutic and prophylactic suggestions, 366
- Martin, Franklin H.: The joy of living, 103
- May, Charles H.: Diseases of the eye, 616
- Montague, J. F.: I know just the thing for that, 616
- Ormsby, Oliver S.: Diseases of the skin, 437
- Podolsky, Edward: Medicine marches on, 739
- Smith, S. Calvin: That heart of yours, 740
- Ullmann, Egon V.: Diet in sinus infections and colds, 437
- Wolf, H. F.: Textbook of physical therapy, 103

C

- Camp, John D., and Allen, Edgar V.: The diagnostic value of arteriography: with report of two cases, 167
- Cancer, 53
- Cancer, Annual symposium on, Minneapolis Surgical Society, 429, 491
- Cancer Committee program, 98
- Cancer of the lip, Treatment of, 495
- Cancer of the rectum, Radium as an adjunct to surgery in the treatment of, 496
- Cancer—Report on x-ray therapy as an adjunct to surgery, 432
- Cancer, Survey of incidence of—Minneapolis hospitals 1933, 431
- Carbon tetrachloride poisoning, Methylene blue in the treatment of (case report), 344
- Carcinoma of the bladder, The present status of treatment of, 105
- Carcinoma of the breast, Radiation treatment in, 435
- Carcinoma of the breast, Treatment of, 683
- Carcinoma of the large bowel, 586
- Carcinoma of the liver, Primary (case report), 40
- Carcinoma of the lung (primary?) in a child of seven (case report), 415
- Carcinoma of the stomach, Progress in the treatment of, 461
- Cardiac irregularities, 624
- Cardiovascular disease, The eye in (abstract on page 51), 445
- Care of the premature infant, The, 70
- Carlson, H. A.: The treatment of acute empyema, 550
- Carman, Russell D., lectureship, introductory remarks, 617
- Case of pilonidal sinus in a negro (case report), 146
- Case of trichobezoar, A (case report), 256
- Cherry stone in the maxillary sinus (case report), 258
- Chest, human, Development of the, 244
- Choice of anesthetic agents and methods and a suggestion to facilitate blood transfusion, 699
- Chloral hydrate in pediatric practice, The use of, 184
- Cholecystectomy, Dyspepsia following, 553
- Cholecystectomy in typhoid carriers, The results of, 552
- Chronic intussusception in the gastro-intestinal tract: a report of thirty-nine cases, 196
- Church, Gerald T., and Walters, Waltman: Primary tuberculosis of the gallbladder, 580
- Cinchophen poisoning, 237
- Clinical and pathological findings in roentgen diagnosis, Correlative value of, 1
- Clinical record, good, Practical experiments in what actually constitutes a, 589
- Club-feet, congenital, Surgical treatment of, 12
- Cole, Wallace H.: The treatment of defects in the long bones following subperiosteal resection, 551
- Collapse, Massive, and postoperative atelectasis (case report), 85
- Collapse therapy patients, Future surgical status of, 97
- Colon, surgery of the, Some experiences in, 51
- Colvin, A. R.: Some experiences in surgery of the colon, 51
- Comfort, Mandred W.: Cinchophen poisoning, 237
- Committee on Public Health Education, 47, 94, 156
- Common eye injuries, 336
- Congenital anomaly of kidney, ureter and bladder (case report), 82
- Congenital solitary kidney (case report), 342
- Connor, Charles E.: Sinusitis and asthma, 582
- Constitution, Our, 630
- Contagiousness of Types I and II pneumococcus pneumonia, The, 714
- Control of tuberculosis—its economic and scientific factors, 393
- Cook, Edward N.: The visual examination of the urine, 649
- Cook, Henry W.: Some comments on mortality and morbidity trends, 563
- Coronary thrombosis, The increasing incidence of, 355
- Correlative value of clinical and pathological findings in roentgen diagnosis, 1
- Cottam, Gilbert: Pharyngeal diverticula, 222
- Counseller, Virgil S.: The present status of treatment of carcinoma of the bladder, 105
- Country doctor's first experience in obstetrics, A, 190
- Craig, Winchell McK.: The operability of tumors of the spinal cord, 110
- Craig, Winchell McK.: Tumors of the brain from the surgical standpoint, 241
- Creedy, C. D.: Neurogenic vesical dysfunction: report of two cases relieved by presacral neurectomy and cystotomy, 554
- Creedy, C. D.: Selection and preparation of prostatic patients for operation, 467
- Crownhart, J. G.: Federal emergency relief, 695
- Culligan, John M.: Fertility and sterility in the menstrual cycle, 114
- Cyanotic congenital heart disease and full term pregnancy, 600
- Cysts, Thyroglossal duct, with presentation of patients and slides, 96

CORRESPONDENCE

D

- Dangers in the use of radium, 494
- Devaney, Honorable John P.: Our constitution, 630
- Development of the human chest, 244
- Dextrocardia with auricular fibrillation (case report), 202
- Diabetes deaths in Duluth: a statistical study, 512
- Diabetes in Minnesota, 503
- Diabetes, Surgery in, 517
- Diagnosis and treatment of hay fever with especial reference to Minnesota, 378
- Diagnosis and treatment of malignant tumors of the thyroid gland, 99
- Diagnosis of knee joint injuries, The, 161
- Diagnosis, Roentgenology, in, 367
- Diagnostic value of arteriography, The: with report of two cases, 167
- Diet in the treatment of gallbladder disease, 578
- Disillusionments in nasal surgery, 323
- Disseminated lupus erythematosus, 637
- Diverticula, Pharyngeal, 222
- Diverticulum, Meckel's, in a hernia: report of a case, 68
- Doctors Mayo cited by the American Legion in presence of President Roosevelt, 538
- "Do's and Don't's" of the injection treatment of varicose veins, The, 33
- Double ileal intussusception (case report), 42
- Drake, Charles R.: Uterine malignancy, 493
- Dry, Thomas J.: Hemochromatosis: Its relation to the metabolism of iron and copper, 301
- Dunn, Halbert L.: Practical experiments in what actually constitutes a good clinical record, 589
- Dupuytren's contracture, 159
- Dyspepsia following cholecystectomy, 553

E

- Ear suppuration, middle, Indications for operative interference in, 439
- Eczema in infancy and childhood, 407
- Ellis, R. V., and Rosendahl, C. O.: The diagnosis and treatment of hay fever with especial reference to Minnesota, 378
- Embryonic rests, Ovarian tumors arising from, 692
- Emergency surgery of the abdomen, 136
- Employment of cyclopropane anesthesia, 554
- Empyema, acute, The treatment of, 550
- Engstad, J. E.: Double ileal intussusception (case report), 42
